1. **Are you in support of, or in opposition to, continuing funding for the Purchase of Development Rights program? Why do you support or oppose funding for this program?**

- Support. If I understand, and I want to, if it ensures farmland beauty over time.

2. **Do you support or oppose tax breaks and/or other incentives for infill-redevelopment projects?**

- Support.

3. **Do you feel that a higher priority should be placed on addressing and solving the sanitary sewer, storm water and water quality problems in Fayette County before there is any further expansion of development beyond the current urban services area? Why or Why not?**

- Yes. Expansion without solutions to existing problems will harm future tax system!

4. **Fayette County agri-business and agri-tourism generate over \$3 billion dollars for the regional economy each year. Do you support these industries? If so, how will you promote agribusiness and agri-tourism if elected to office?**

- 2010 games can be huge for us. I hope they are promoted healthily and well!

5. **Fayette County currently has enough vacant land within the urban services area to support nine years of residential growth. Will you propose to use this available land to provide affordable housing, accessible transportation, and amenities for our growing community? If so, how?**

- Yes. I encourage infill, redevelopment, and tax incentives, etc.
