

Wanda Mattingly
9th District

1. **Are you in support of, or in opposition to, continuing funding for the Purchase of Development Rights program? Why do you support or oppose funding for this program?**

- I support to continue funding for the PDR program as a tool to preserve appropriate funding in Fayette County.

2. **Do you support or oppose tax breaks and/or other incentives for infill-redevelopment projects?**

- I support incentives for infill/redevelopment to encourage development within the urban county service area. Also, we need to preserve the historic character of downtown and affordable housing.

3. **Do you feel that a higher priority should be placed on addressing and solving the sanitary sewer, storm water and water quality problems in Fayette County before there is any further expansion of development beyond the current urban services area? Why or Why not?**

- It is imperative that we address sanitary sewer and storm water drainage infrastructure problems in Fayette County. Updating existing systems has to be a priority and we should consistently work to be proactive with regard to future needs.

4. **Fayette County agri-business and agri-tourism generate over \$3 billion dollars for the regional economy each year. Do you support these industries? If so, how will you promote agribusiness and agri-tourism if elected to office?**

- I support agri-business and agri-tourism and as an elected official, I will diligently strive to promote and protect these businesses. I will always listen to the concerns of the people involved and enact policy that is beneficial to the unique economy of our region.

5. **Fayette County currently has enough vacant land within the urban services area to support nine years of residential growth. Will you propose to use this available land to provide affordable housing, accessible transportation, and amenities for our growing community? If so, how?**

- Vacant land within the urban service area should first be utilized creatively to

provide affordable housing, accessible transportation and amenities that provide a quality of lifestyle for all Fayette County residents. I will encourage cooperation and an environment of making *community responsibility* a priority.
